

The diagram consists of three nested ellipses. The outermost ellipse is yellow and labeled 'Artificial Intelligence'. Inside it is a brown ellipse labeled 'Machine Learning'. Inside the brown ellipse is a red ellipse labeled 'Deep Learning'. Each ellipse contains a brief description of the field.

Artificial Intelligence

Methods that let machines immitated human beviour.

Machine Learning

Programs learn based on data without being explicitly programmed.

Deep Learning

Machine learning based on artificial neural networks with many layers.
